

Applying for a Total and Permanent Disability Discharge of Your Federal Student Loans

Total and Permanent Discharge

Total and Permanent Discharge (TPD) means that you, the borrower, no longer need to make payments on your student loans because of your total and permanent disability.

Eligible Loans

- Federal direct loans
- Federal Family Education Loan Program loans (FFEL)
- Federal Perkins Loans
- TEACH grant service obligations
- Parent PLUS loans taken by parents with total and permanent disability.

The Department of Education and Nelnet works closely with the Social Security Administration (SSA) and the U.S. Department of Veterans Affairs (VA), so you may receive a letter saying that you are eligible for TPD Discharge based on information from these agencies.

You are eligible if:

- The VA determines that you have a service connected disability that is 100% disabling or you are totally disabled based on an individual employability rating;

- You received a SSA disability determination with a medical review in 5 to 7 years; or
- You are unable to engage in substantially gainful employment activity because of any medically determined physical or mental disability lasting for at least 60 continuous months, is expected to last for at least 60 months, or can be expected to result in death.

Necessary Documentation

VA Disability Document

- If you have not received a letter from the VA informing you of your eligibility, you will need to provide documentation of your VA disability status. You can contact your local veteran services office for documentation on your service related disability.

SSA

- If you have not received a letter informing you of your eligibility for TPD Discharge you may apply with documentation of your benefits stating that your next disability review will be in 5 to 7 years. This document is commonly referred to as your Benefits Planning Query (BPQY). You should contact your local Social Security office to get a copy of your BPQY mailed to you.

Medical Certification

- If your BPQY states that your disability review is in less than 5 years or if you do not have a disability determination from SSA, then you will need to have a licensed U.S. Doctor of Medicine (M.D.) or osteopathy (D.O) complete the physician certification form on Section 4 of the Total and Permanent Discharge Application. Click on the link: https://www.lascinti.org/wp-content/uploads/TPD_Representative.pdf
- If a physician has filled out Section 4, be sure to mail in the application within 90 days of the date your physician signed Section 4 of your TPD Discharge application.

TPD-APP

This is an application for a total and permanent disability discharge of your Direct Loan, FFEL, and/or Perkins Loan program loan(s), and/or your Teacher Education Assistance for College and Higher Education (TEACH) Grant Program service obligation.

Throughout this application, the words "we," "us," and "our" refer to the U.S. Department of Education.

Make sure that Section 2, Section 3, and (if required) Section 4 include all requested information. Incomplete or inaccurate information may cause your application to be delayed or rejected.

To qualify for this discharge, you must submit documentation from **one** of the following sources:

1. The U.S. Department of Veterans Affairs (VA) **OR**
2. The Social Security Administration (SSA) **OR**
3. A physician's certification in Section 4 of this form

Except for VA or SSA determinations described below, a disability determination by another federal or state agency does not qualify you for this discharge.

U.S. Department of Veterans Affairs Documentation

If you are a veteran who has been determined by the VA to be unemployable due to a service-connected disability, you may qualify for discharge by providing documentation from the VA showing that you have received one of the following two types of VA disability determinations:

1. A determination that you have a service-connected disability (or disabilities) that is 100% disabling.
2. A determination that you are totally disabled based on an individual unemployability rating.

You do not qualify for discharge based on a VA disability determination if your disability is not service-connected.

Social Security Administration Documentation

If you are eligible for Social Security Disability Insurance (SSDI) or Supplemental Security Income (SSI), you may qualify for discharge by providing a copy of your notice of award or Benefits Planning Query (BPQY) from the SSA. You only qualify for a discharge based on this documentation if it shows that your next scheduled disability review will be 5 to 7 years or more from the date of your last SSA disability determination.

If you want to submit a BPQY but do not have one, contact the SSA office that issued your award and request form SSA-2459. You may also request a BPQY by calling 1-800-772-1213 or by visiting www.ssa.gov.

If you are granted a discharge based on SSA documentation, we will monitor your status during a 3-year monitoring period. Your discharged loans or TEACH Grant service obligation may be reinstated if you do not meet certain requirements, as explained in Section 6 of this form.

Physician Certification

You may qualify for discharge by having a physician complete Section 4 of this application. The physician must certify that you are unable to engage in any substantial gainful activity (see definition in Section 5) by reason of a medically determinable physical or mental impairment that:

1. Can be expected to result in death;
2. Has lasted for a continuous period of at least 60 months; or
3. Can be expected to last for a continuous period of at least 60 months.

If you are granted a discharge based on a physician's certification, we will monitor your status during a 3-year monitoring period. Your discharged loans or TEACH Grant service obligation may be reinstated if you do not meet certain requirements, as explained in Section 6 of this form.

SECTION 5: DEFINITIONS

If you have a **total and permanent disability**, this means that: **(1)** you are unable to engage in any substantial gainful activity by reason of a medically determinable physical or mental impairment that can be expected to result in death, or that has lasted for a continuous period of not less than 60 months, or that can be expected to last for a continuous period of not less than 60 months; **OR (2)** you are a veteran who has been determined by the VA to be unemployable due to a service-connected disability. Except for certain individuals who have received SSA notices of award for SSDI or SSI benefits, or for certain veterans, a disability determination by another federal or state agency does not establish your eligibility for a discharge of your loan(s) and/or TEACH Grant service obligation due to a total and permanent disability.

Substantial gainful activity means a level of work performed for pay or profit that involves doing significant physical or mental activities, or a combination of both.

A **discharge of a loan** due to a total and permanent disability cancels your obligation (and, if applicable, an endorser's obligation) to repay the remaining balance on your Direct Loan, FFEL, and/or Perkins Loan program loans. A **discharge of a TEACH Grant service obligation** cancels your obligation to complete the teaching service that you agreed to perform as a condition for receiving a TEACH Grant.

The **post-discharge monitoring period** begins on the date we grant a discharge of your loan(s) or TEACH Grant service obligation and lasts for three years. If you fail to meet certain conditions at any time during or at the end of the post-discharge monitoring period, we will reinstate your obligation to repay your loan(s) or complete your TEACH Grant service. See Section 6 for more information.

Note to Veterans: The post-discharge monitoring period does not apply if you are a veteran who receives a discharge based on a determination from the VA that you are unemployable due to a service-connected disability.

The **William D. Ford Federal Direct Loan (Direct Loan) Program** includes Federal Direct Stafford/Ford Loans (Direct Subsidized Loans), Federal Direct Unsubsidized Stafford/Ford Loans (Direct Unsubsidized Loans), Federal Direct PLUS Loans (Direct PLUS Loans), and Federal Direct Consolidation Loans (Direct Consolidation Loans).

The **Federal Family Education Loan (FFEL) Program** includes Federal Stafford Loans (both subsidized and unsubsidized), Federal Supplemental Loans for Students (SLS), Federal PLUS Loans, and Federal Consolidation Loans.

The **Federal Perkins Loan (Perkins Loan) Program** includes Federal Perkins Loans, National Direct Student Loans (NDSL), and National Defense Student Loans (Defense Loans).

The **Teacher Education Assistance for College and Higher Education (TEACH) Grant Program** requires individuals to complete a teaching service obligation as a condition for receiving a TEACH Grant.

The **holder** of your FFEL Program loan(s) may be a lender, a guaranty agency, or the U.S. Department of Education. The holder of your Perkins Loan Program loan(s) may be a school you attended or the U.S. Department of Education. The holder of your Direct Loan Program loan(s) and/or your TEACH Grant Agreement to Serve (if you received a TEACH Grant) is the U.S. Department of Education. Your loan holder may use a servicer to handle billing and other matters related to your loan. The term "holder" as used on this application means either your loan holder or, if applicable, your loan servicer.

The term "**state**" for purposes of the physician's certification in Section 4 (the physician must be licensed to practice in a state) includes the 50 United States, the District of Columbia, American Samoa, the Commonwealth of Puerto Rico, Guam, the U.S. Virgin Islands, the Commonwealth of the Northern Mariana Islands, the Republic of the Marshall Islands, the Federated States of Micronesia, and the Republic of Palau.

A **representative** is a member of your family, your attorney, a law firm or legal aid society, or another individual or organization authorized to act on your behalf in connection with your total and permanent disability discharge application.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE

Applying for discharge (all applicants):

Submission of discharge application. After you submit your completed application and documentation to us, we will send you a notice that will:

- Acknowledge receipt of your application;
- Explain the process for our review of your application; and
- Inform you that you are not required to make any payments on your loans while we review your application for discharge.

Consequences of failure to submit an application. If you do not submit an application to us within 120 days of notifying us that you intend to submit an application, collection activity will resume on your loans, and your loan holder may capitalize any unpaid interest. This means that the unpaid interest will be added to the principal balance of your loans, and interest will then be charged on the increased loan principal amount. However, if you have a FFEL Program loan and the loan holder is a guaranty agency, or if you have a Federal Perkins Loan, unpaid interest will not be capitalized.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (CTD.)

Discharge process for veterans who have been determined by the VA to be unemployable due to a service-connected disability:

Our review of your discharge application. We will review the documentation from the VA to determine if you are totally and permanently disabled as described in item (2) of the definition of “total and permanent disability” in Section 5 of this application.

Determination of eligibility or ineligibility for discharge. If we determine that you are totally and permanently disabled, you will be notified that your loans and/or TEACH Grant service obligation has been discharged. The discharge will be reported to nationwide consumer reporting agencies, and any loan payments received on your loan on or after the effective date of the determination by the VA that you are unemployable due to a service-connected disability will be refunded to the person who made the payments.

If we determine that you are **not** totally and permanently disabled, you will be notified of that determination. The notification will include:

- The reason or reasons for the denial of your discharge application;
- An explanation that your loans are due and payable to the loan holder under the terms of the promissory note that you signed and that your loans will return to the status they were in at the time you applied for a total and permanent disability discharge;
- An explanation that your loan holder will notify you of the date you must resume making payments on your loans; and
- An explanation that if you applied for a discharge of a TEACH Grant service obligation, you must comply with all terms and conditions of your TEACH Grant Agreement to Serve.

The notification will also explain your ability to request reconsideration of this determination or to submit a new discharge application:

- You may request that we re-evaluate your discharge application by providing additional documentation from the VA that supports your eligibility for discharge. If you provide this documentation within 12 months of the date of our notification that you are ineligible for discharge, you do not have to submit a new application. After 12 months, a new application is required.
- If the documentation from the VA does not indicate that you are unemployable due to a service-connected disability, you may reapply for discharge under the “Discharge Process For All Other Applicants”. You must submit a new application with the required documentation from the SSA or a physician's certification in Section 4.

Discharge process for all other applicants:

Our review of your discharge application. If you submit a discharge application supported by an award of benefits notice from the SSA or an SSA Benefits Planning Query (BPOY), we will review that documentation to determine if it meets the requirements described in Section 2, Item 2 of this form.

If you submit a discharge application supported by a physician's certification in Section 4 of this application, we will review the physician's certification and any accompanying documentation to determine if you are totally and permanently disabled as described in item (1) of the definition of “total and permanent disability” in Section 5 of this application. We may also contact your physician for additional information, or may arrange for an additional review of your condition by an independent physician at our expense. Based on the results of this review, we will determine your eligibility for discharge.

If we determine during our review of your application that you received a Direct Loan or Perkins Loan program loan, or a TEACH Grant before the date we received the SSA notice of award (or BPOY) or before the date the physician certified your application in Section 4, and a disbursement of that loan or grant is made after that date, but before we have granted a discharge, we will suspend processing of your discharge request until you ensure that the full amount of the disbursement is returned to the loan holder or (for a TEACH Grant) to us.

If you apply for a total and permanent disability discharge and we determine as part of our review that a new Direct Loan or Perkins Loan program loan or a new TEACH Grant was made to you on or after the date we received the SSA notice of award (or BPOY) or the date the physician certified your application in Section 4, and before the date we grant a discharge, we will deny your discharge request. Collection will resume on your loans and you will again be responsible for complying with the terms and conditions of your TEACH Grant Agreement to Serve.

Determination of eligibility or ineligibility for discharge. If we determine that you are totally and permanently disabled, we will notify you that a discharge has been approved, and that you will be subject to a post-discharge monitoring period for three years beginning on the discharge date. The notification of discharge will explain the terms and conditions under which we will reinstate your obligation to repay your loan or to complete your TEACH service. The discharge will be reported to nationwide consumer reporting agencies, and any loan payments that were received after the date we received the SSA notice of award (or BPOY) or after the date the physician certified your discharge application will be returned to the person who made the payments.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (CTD.)

Discharge process for all other applicants (continued):

Determination of eligibility or ineligibility for discharge (continued).

If we determine that you are **not** totally and permanently disabled, you will be notified of that determination. The notification will include:

- The reason or reasons for the denial of your discharge application;
- An explanation that your loans are due and payable to the loan holder under the terms of the promissory note that you signed and that your loans will return to the status that would have existed if your total and permanent disability discharge application had not been received;
- An explanation that your loan holder will notify you of the date you must resume making payments on your loans;
- An explanation that if you applied for a discharge of a TEACH Grant service obligation, you must comply with all terms and conditions of your TEACH Grant Agreement to Serve;
- An explanation that you are not required to submit a new total and permanent disability discharge application if, within 12 months of the date of our notification to you that you are ineligible for discharge, you provide additional information regarding your disabling condition that supports your eligibility for discharge, and you request that we re-evaluate your discharge application; and
- An explanation that if you do not request re-evaluation of your prior discharge application within 12 months of the date of our notification of ineligibility for discharge, and you still wish to have us re-evaluate your eligibility for a total and permanent disability discharge, you must submit a new total and permanent disability discharge application to us.
- If you request a re-evaluation of your total and permanent disability discharge application or submit a new total and permanent disability discharge application, as described above, your request must include new information regarding your disabling condition that was not provided to us in connection with your prior application for discharge.

Post-discharge monitoring period. If you are granted a discharge, we will monitor your status during the 3-year post-discharge monitoring period that begins on the date the discharge is granted.

We will reinstate the requirement for you to repay your loans and/or complete your TEACH Grant service if, at any time during or at the end of the post-discharge monitoring period, you:

- Receive annual earnings from employment that exceed the poverty guideline amount (see **Note** below) for a family of two in your state, regardless of your actual family size;
- Receive a new loan under the Direct Loan Program or the Perkins Loan Program, or a new TEACH Grant;
- Receive a disbursement of a Direct Loan Program or Perkins Loan Program loan or a TEACH Grant that was initially disbursed prior to your discharge date and you fail to ensure that the disbursement is returned to the loan holder or (for a TEACH Grant) to us within 120 days of the disbursement date; or
- Receive a notice from the SSA indicating that you are no longer disabled or that your continuing disability review will no longer be the 5- to 7-year period indicated in the SSA notice of award or BPOQY.

During the 3-year post-discharge monitoring period, you (or your representative) must:

- Promptly notify us of any changes in your address or telephone number;
- Promptly notify us if your annual earnings from employment exceed the poverty guideline amount for a family of two in your state (see **Note** below), regardless of your actual family size;
- Upon request, provide us with documentation of your annual earnings from employment, on a form that we will provide; and
- Promptly notify us if you receive a notice from the SSA indicating that you are no longer disabled or that your continuing disability review will no longer be the 5- to 7-year period indicated in the SSA notice of award or BPOQY (after you had been previously determined to be disabled by the SSA, were receiving SSDI or SSI benefits, and had a continuing disability review period of 5 to 7 years or more from the date of your last SSA disability determination).

Note: The poverty guideline amounts are updated annually and may be obtained at <http://aspe.hhs.gov/poverty>. We will notify you of the current poverty guideline amounts during each year of the post-discharge monitoring period.

SECTION 6: DISCHARGE PROCESS / ELIGIBILITY REQUIREMENTS / TERMS AND CONDITIONS FOR DISCHARGE (CTD.)

Discharge process for all other applicants (continued):

Reinstatement of obligation to repay discharged loans or complete discharged TEACH Grant service obligation. If you do not meet the requirements described above at any time during or at the end of the post-discharge monitoring period, we will reinstate your obligation to repay your loans and/or to complete your TEACH Grant service. If your loans are reinstated, you will be responsible for repaying your loans to us in accordance with the terms of your promissory note(s). Your loans will be returned to the status that would have existed if we had not received your total and permanent disability discharge application. However, you will not be required to pay interest on your loans for the period from the date of the discharge until the date your repayment obligation was reinstated. We will be your loan holder. If your TEACH Grant service obligation is reinstated, you will again be subject to the requirements of your TEACH Grant Agreement to Serve. If you do not meet the terms of that agreement and the TEACH Grant funds you received are converted to a Direct Unsubsidized Loan, you must repay that loan in full, and interest will be charged from the date(s) that the TEACH Grant funds were disbursed.

If your obligation to repay your loans or to complete your TEACH Grant service is reinstated, we will notify you of the reinstatement. This notification will include:

- The reason or reasons for the reinstatement;
- For loans, an explanation that the first payment due date on the loan following the reinstatement will be no earlier than 60 days following the date of the notification of reinstatement; and
- Information on how you may contact us if you have questions about the reinstatement, or if you believe that your obligation to repay a loan or complete TEACH Grant service was reinstated based on incorrect information.

SECTION 7: ELIGIBILITY REQUIREMENTS TO RECEIVE FUTURE LOANS OR TEACH GRANTS

For veterans who receive a total and permanent disability discharge based on a determination by the VA that they are unemployable due to a service-connected disability:

If you are a veteran who is granted a **discharge** based on a determination that you are totally and permanently disabled as described in item **(2)** of the definition of “total and permanent disability” in Section 5 of this application, you are not eligible to receive future loans under the Direct Loan Program or the Perkins Loan Program, or future TEACH Grants, unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity; and
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled.

For all other individuals who receive a total and permanent disability discharge:

If you are granted a **discharge** based on a determination that you are totally and permanently disabled in accordance with item **(1)** of the definition of “total and permanent disability” in Section 5 of this application, you are not eligible to receive future loans under the Direct Loan Program or the Perkins Loan Program, or future TEACH Grants, unless:

- You obtain a certification from a physician that you are able to engage in substantial gainful activity;
- You sign a statement acknowledging that the new loan or TEACH Grant service obligation cannot be discharged in the future on the basis of any injury or illness present at the time the new loan or TEACH Grant is made, unless your condition substantially deteriorates so that you are again totally and permanently disabled; and
- If you request a Direct Loan Program or Perkins Loan Program loan, or a new TEACH Grant, within three years of the date that a previous loan or TEACH Grant was discharged, you resume payment on the previously discharged loan or acknowledge that you are once again subject to the terms of the TEACH Grant Agreement to Serve before receiving the new loan.

We also use your SSN as an account identifier and to permit you to access your account information electronically.

The information in your file may be disclosed, on a case-by-case basis or under a computer matching program, to third parties as authorized under routine uses in the appropriate systems of records notices. The routine uses of this information include, but are not limited to, its disclosure to federal, state, or local agencies, to private parties such as relatives, present and former employers, business and personal associates, to consumer reporting agencies, to financial and educational institutions, and to guaranty agencies in order to verify your identity, to determine your eligibility to receive a loan or a benefit on a loan, to permit the servicing or collection of your loans, to enforce the terms of the loans, to investigate possible fraud and to verify compliance with federal student financial aid program regulations, or to locate you if you become delinquent in your loan payments or if you default. To provide default rate calculations, disclosures may be made to guaranty agencies, to financial and educational institutions, or to state agencies. To provide financial aid history information, disclosures may be made to educational institutions.

In the event of litigation, we may send records to the Department of Justice, a court, adjudicative body, counsel, party, or witness if the disclosure is relevant and necessary to the litigation. If this information, either alone or with other information, indicates a potential violation of law, we may send it to the appropriate authority for action. We may send information to members of Congress if you ask them to help you with federal student aid questions. In circumstances involving employment complaints, grievances, or disciplinary actions, we may disclose relevant records to adjudicate or investigate the issues. If provided for by a collective bargaining agreement, we may disclose records to a labor organization recognized under 5 U.S.C. Chapter 71. Disclosures may be made to our contractors for the purpose of performing any programmatic function that requires disclosure of records. Before making any such disclosure, we will require the contractor to maintain Privacy Act safeguards. Disclosures may also be made to qualified researchers under Privacy Act safeguards.
